WON'T DISMISS TRACTION SUIT

F. C. Raff Denies He Will Drop Suit
Against Interurban Merger.

F. C. Raff, of South Bend, owner of 5,040 shares of stock in companies included in the \$5,000,000 interurban railway merger of which State Sen. Frank N. Gavit of Hammond is head, has entered an emphatic denial to the rumor that his suit for dissolution was to be dismissed.

"If a decision is given against us in the lower court the suit will be carried on up to the highest courts," he said.

"Our claim is that the \$5,000,000 merger was illegal and we demand that it be dissolved and a receiver appointed so that all stockholders may be cared for in the proper manner."

"If one person held a share of stock in any of the lines he was given a share in the merged company but the earning power was decreased many times."

Pres. Gavit has entered a denial to this last charge, claiming that the merger has resulted in increased profits. The suit will come up during the coming term of the Porter circuit court which opens at Valparaiso Oct. 6.

NO BATHROOM, NO VALET FOR YOUNG MORGAN HERE

CAMBRIDGE, Mass., Sept. 30.—Junius Morgan, son of J. P. Morgan, has left his expensive quarters in Beck Hall, one of the most fashionable Harvard dormitories, for an old fashioned room in Hollis Hall, which, with the exception of electric light and heat, is as primitive as it was more than a century ago.

Although it is a custom for Harvard seniors to live in the old-fashioned dormitories, young Morgan is one of the first of the wealthy students to observe the custom. He has had to deny himself a bathroom and has no elevator or valet. Next door to him there are two seniors who are working their way through college.

IF MEALS HIT BACK AND STOMACH SOURS

"Pape's Diapepsin" Ends Stomach Misery, Indigestion in 5 Minutes.

If what you just ate is souring on your stomach or lies like a lump of lead, refusing to digest, or you belch gas and eructate sour, undigested food or have a feeling of dizziness, heartburn, fullness, nausea, bad taste in mouth and stomach headache you can get blessed relief in five minutes. Ask your druggist to show you the formula, plainly printed on these fifty-cent boxes of Pape's Diapepsin, then you will understand why dyspeptic troubles of all kinds must go, and why they relieve sour, out-of-order stomachs or indigestion in five minutes. "Pape's Diapepsin" is harmless, tastes like candy, though each dose will digest and prepare for assimilation into the blood all the food you eat. Besides, it makes you go to the table with a healthy appetite; but what will please you most, is that you will feel that your stomach and intestines are clean and fresh, and you will not need to resort to laxatives or liver pills for biliousness or constipation.

This city will have many "Pape's Diapepsin" cranks, as some people will call them, but you will be enthusiastic about this splendid stomach preparation, too, if you ever take it for indigestion, gases, heartburn, sourness, dyspepsia, or any stomach misery.

Get some now, this minute, and rid yourself of stomach trouble and indigestion in five minutes. — Advt.
